

## Rashtriya Kisan Diwas organized at CAZRI

On the eve of National Farmers Day on 23/12/2020, twenty farmers from Utambar, Kudiyala, Birai and Gopalsar villages in Balesar block, Jodhpur district visited CAZRI in batches of five farmers each. The farmers shared the feedback on the crop and livestock based demonstrations organized in kharif 2020. The discussion was also held on the on-going demonstrations of scientific practices in cumin and mustard (improved cultivars, seed treatment with bio-fertilizers, line sowing and nutrient management) organized in rabi 2020. These farmers were distributed with battery operated sprayers under SCSP. These sprayers will be made available to all the beneficiary farmers under the project in the respective villages as per need and requirement. The event was coordinated by Dr. P. R. Meghwal and Dr. B. L. Manjunatha.
