

Field Day on Millets

A field day for creating awareness about significance and improved cultivar and cultivation practices of millets was organized at ICAR-CAZRI, RRS, Bikaner on 18-08-2023. Forty five farmers (including 5 women farmers) from village Chani of district Bikaner were participated in the field day. Field day aimed to impart knowledge and skill among farmers pertaining to environmental, economic and nutritional significances; and improved cultivars along with suitable agro-techniques for sustainable production of millets in hot arid region. The field day was co-ordinated by Drs. N.R. Panwar, V.S. Rathore, R.S. Shekhawat, G.L. Bagdi and N.S. Nathawat.
